

2017-18 Enrichment Program

Time: 3:30 - 5:30 p.m. | Rate: \$22 per day

St. Francis's Enrichment program serves students in **Junior Kindergarten through 4th grade**. Parents who utilize the St. Francis School Enrichment Program will be invoiced by the Business Office once per month, based on the prior month's daily attendance record. Daily attendance records will be maintained by the Enrichment Program Director. We ask that all parents interested in participating in the Enrichment Program complete the Weekly Enrichment Schedule below to assist the school in the staffing of the program.

Parents interested in drop-in service not reflected in the Weekly Enrichment Schedule are requested to contact the school office with a two-day advance notice. Due to staffing, drop-in requests are honored only if space is available.

In addition to all normal school days, the Enrichment Program may be open for Parent/Teacher Conferences provided there is sufficient interest. **The cost for this program is \$10 per hour per child**. We ask that all parents interested in participating in this program sign up through the Enrichment Director **prior to conferences**.

Enrichment closes at 5:30 p.m. **A late fee of \$1 per minute will be assessed each minute a child remains after 5:30 p.m.** Parents may pick up from Enrichment, signing the students out before they leave, or students may ride the Activity Bus.
