

2017-18 Homework Hall on the Goshen Campus

Homework Hall is offered as part of the After-School Program for students in 5th-8th grades from class dismissal until 5:30 p.m. Homework Hall is supervised by librarian Lindsay Serrano.

Student Expectations

Organize Yourself. Check your planner and bring the materials from your class area or locker before you come to Homework Hall.

Be On Time. Homework Hall begins at the end of the school day after your lead teacher or advisor has dismissed you from class.

Have Something To Work On or Do. If you have little or no homework, make sure that you have a way to quietly fill time with activities such as reading a book, doing research, or working on an art project. No cell phones, gaming devices, or music players are allowed during Homework Hall until after 4:30 p.m.

Work Quietly. Ask the Advisor for permission when you need to work with others. When it is appropriate to work with a partner(s), avoid distracting or disturbing the group.

Students are expected to follow the above-mentioned expectations.

Students who utilize Homework Hall will improve their study skills. Parents who wish to utilize Homework Hall will be invoiced by the Business Office once per month, based on the prior month's attendance record. Daily attendance records will be maintained by the Homework Hall monitor. We ask that all parents interested in participating in Homework Hall complete the Weekly Homework Hall Schedule below.
