

2017 Winter/Spring After-School Programs

We are excited about offering our After-School Programs this winter and spring!

As a reminder, or for those of you who are not aware, our After-School Programs are offered through our online registration platform, Eventbrite. Step-by-step instructions on how to navigate the Eventbrite system are provided below. Please note that registration for Bricks 4 Kidz is handled separately. Additional activity descriptions can be found on the registration pages.

All programs are from 3:30 - 4:30 p.m. or 3:30 - 5:00 p.m. If your child needs to stay for Enrichment following an After-School Program, you can sign up for a prorated amount of \$10/day. Enrichment ends at 5:30 p.m.

Enrichment is our after-school childcare service for students in **Junior Kindergarten through 4th grade**. Students attending Enrichment will be served a snack, participate in both structured and unstructured activities and play time (outside weather permitting), and will be provided with homework time and help. You can sign up for a full day of Enrichment from 3:30 - 5:30 p.m. for \$22/day.

How to sign up for After-School Programs

1. Type in the Eventbrite website address: www.eventbrite.com
2. Make sure your location is set for **Goshen, KY - not Louisville.**

4. Type in "St. Francis" in the search area and then you will see a list of available events.

5. Follow the prompts to register and pay. You will be asked to list your child's name when you check out, so rest assured we will know who to add to the rosters.
